

Dear PCCA High School Parents

It is our desire that students at PCCA have a well-rounded educational experience during their time here. Academics are a big part of their success, however, in today's competitive post-high school educational institutions, it is imperative that the student proves that they have been an active and integral part of the school outside the classroom as well.

Each year the extracurricular programs offered to your student has continued to grow as the needs and interests of the students' have expanded. Attached you will find a composite list of all such offerings. In an effort to make this as effortless for you as a parent as possible, we are collecting all fees for involvement in these clubs/societies at one time. This one time fee per club/society includes the items that are included on the fees sheet. Please note that special clubs that have outside competitions, competition fees are not included.

Just check off all of the clubs/societies that your child is involved in (2008 society candidates will be assessed at point of induction into society) and remit the payment to Student Services. If there are any questions, please contact Carla Joiner, Student Activities Coordinator, at 407-438-2763 or email [joinerc@pinecastleumc.org](mailto:joinerc@pinecastleumc.org).

Thank you for your continued support and we pray for an incredible school year for your child, full of involvement and growth.

Carla Joiner  
Student Activities Coordinator
